RE: Application of Raiser, LLC for a Class C - Transportation Network Company  
Certificate of Public Convenience and Necessity for Operation of Motor Vehicle  
Carrier  
**Docket No. 2014-372-T**

Dear Ms. Boyd:

As a member of The Public Utilities Review Committee ("PURC") and Representative of South Carolina House District 34, I request, pursuant to S.C. code Ann. Section 8-13-785, that the Public Service Commission ("Commission") expeditiously set a hearing date as soon as possible related to the Application for a Class C Transportation Network Company filed by Raiser, LLC.

The Application was filed with the Commission on September 9, 2014. It is time for the Commission to provide the Applicant, and parties of record, an opportunity to be heard on the merits such that the Commission may render a decision on this matter.

Sincerely,

P. Michael Forrester
